09. I submit that recently the services of three NMRs are regularized on 21-6-2022 by the 2<sup>nd</sup> respondent for the reasons best known, but our services were not regularized even though we have been working for around 20 years in the 3<sup>rd</sup> respondent temple.
10. I submit that, recently the Commissioner, Endowments Department has issued blanket rejection proceedings dated 09.12.2024 rejecting the regularization of the employees all over the state who have filed WP No. 26689/2021 and batch dated 27.02.2024 without application of mind and without properly verifying the records and antecedents, the following are the grounds taken for rejection of regularization which will also be taken in our case also as such the same are replied here under.

**GROUND TAKEN BY THE 2<sup>ND</sup> RESPONDENT FOR REJECTING REGULARIZATION OF OTHER EMPLOYEES AND ITS EXPLANATION:**

- a) That the 1<sup>st</sup> rejection ground mentions about the applicability of G.O.Ms No. 888 dated 08.12.2000 and publication of the temple.
- b) That the 2<sup>nd</sup> rejection ground taken is that Rule 46 direct recruitment regularization procedure is not followed as prescribed under G.O.Ms. No. 888 dated 08.12.2000. In fact rule 46 does not prescribe for appointment on regular basis in the instant case petitioner was appointed on consolidated pay as there was necessity of an employee as the work is perennial in nature, as such the appointment is not made at the behest of the petitioner but made by the temple. Hence the appointment is not illegal, further continuing of petitioner for around 20 long years itself shows that the necessity of petitioner and now denying the regularization when he has reaped for

V. Sanjay Kumar

regularization on the ground of procedure is illegal and arbitrary.

- c) That the rejection ground taken at point 3 rule 38 prescribes the fixation of cadre strength by Commissioner. In the instant case the cadre strength is approved by the 2<sup>nd</sup> respondent and rule is followed. Hence this ground also doesn't have the footing and there is no illegality.
- e) That the rejection ground taken @ point 4, that rule 39 prescribes qualifications mentioned in annexure-III are fulfilled by the appellant herein and he is fully qualified to hold the post of record assistant / plumber / attender etc.,
- f) That the rejection ground taken @ point No.5, that G.O.Ms No. 1997 dated 18.10.2005 prohibits recruitment and the same is in force is made without verifying the precedents and the Hon'ble High Court orders i.e.:-
  - i. In G.O.Rt No. 1813 dated 26.12.2009 regularizations were made in Sr. Venugopala Swamy Temple, Moolapeta, Nellore District relaxing G.O.Ms No. 1997 dated 18.10.2005 and the relevant rules issued in G.O.Ms No. 888 dated 08.12.2000, as such I also stand in the similar footing and once ban GO is related it cannot be applied.
  - ii. That in W.P No. 8399 of 2010 dated 27.02.2018, the Hon'ble High Court has observed at para No.7 & 12 that the ground of ban imposed as per GOMs No. 1997 dated 18.10.2005 was rejected, as other regularizations were made etc., as such this ground was already rejected by the Hon'ble high Court on 27.02.2018.
  - iii. Further that once the Commissioner and the Govt. has taken decision to regularize the employees and issued proceedings in Rc. No. A1/11026/55/2019 dated 21.06.2022 and Memo of the Govt. in Endw/502/2019/End-I(2) dated 02.02.2022 against ban

V. Sampath Kumar

GO, the question of again raising the ground of ban GO is impermissible as once regularization is made the ban GO does not have any legal force.

- iv. That, prior to issuance of Govt. Memo dated 02.02.2022 and Commissioner proceedings dated 26.02.2022, the claim of the applicants therein who were working in the 3<sup>rd</sup> respondent temple was rejected vide Memo No. Endw/502/2019 Endt-I(2) dated 02.07.2020 on the ground that they were not appointed through direct recruitment and there is ban and their appointment is irregular. But still the then Commissioner has forwarded a letter in Lr No. COE-11026/68/2019 dated 30.09.2021 on humanitarian grounds & keeping length of service requesting to reconsider their cases without reference to rejection Memo dated 02.07.2020. Thereafter 02.02.2022 and 21.06.2022 proceedings were issued regularizing the service of those employees and they were extended all benefits, that once regularization is done in favour of certain employees working in the same department, the Commissioner cannot differ other cases on the same grounds, otherwise the same violates to Article-14 of Constitution of India.
- g). That, the rejection ground taken at point No. 6 of not following Rule 46 direct recruitment mode is already answered above, as such this ground is not sustainable.
- h). That, point No's. 7 & 8 mentions about the extension of minimum time scale which is matter of record.
- i). That, coming to point No. 9 referring to Umadevi case para No. 53 mentions about Union of India, State Governments and its instrumentalities to regularize services who have completed 10 years of service and appointed through selection process, is made for the sake of the rejection, in fact para No. 53 speaks as follows:

V. Sankar Sankar

"53. One aspect needs to be clarified. There may be cases where irregular appointments (not illegal appointments) as explained in S.V.NARAYANAPPA (supra), R.N.NANJUNDAPPA (supra), and B.N. NAGARAJAN (supra), and referred to in paragraph 15 above, of duly qualified persons in duly sanctioned vacant posts might have been made and the employees have continued to work for ten years or more but without the intervention of orders of courts or of tribunals. The question of regularization of the services of such employees may have to be considered on merits in the light of the principles settled by this Court in the cases above referred to and in the light of this judgment. In that context, the Union of India, the State Governments and their instrumentalities should take steps to regularize as a onetime measure, the services of such irregularly appointed, who have worked for ten years or more in duly sanctioned posts but not under cover of orders of courts or of tribunals and should further ensure that regular recruitments are undertaken to fill those vacant sanctioned posts that require to be filled up, in cases where temporary employees or daily wagers are being now employed. The process must be set in motion within six months from this date. We also clarify that regularization, if any already made, but not subjudice, need not be reopened based on this judgment, but there should be no further by-passing of the constitutional requirement and regularizing or making permanent, those not duly appointed as per the constitutional scheme".

- j. That, the above paragraph prescribes to regularize the services of such irregularly appointed employees who have worked for 10 years or more, but it does not mention about appointed through selection process etc., Even otherwise in the instant case the temple employees are neither the

V. Srinivas Rao

employees working under Union of India nor under the State Govt. or its instrumentalities as the salaries of the temple employees are not paid from the Govt. exchequer, but paid out of the income generated in the respective temples.

11. I submit that none of the temples or the institutions are established by the Government or its bodies. As such the ban imposed on regularization does not bar regularization of the temple employees, whose salaries are paid only out of the income from the temple, but not from the government exchequer.
12. I submit that the temple employees does not come under the purview of Government employees or its instrumentalities for the reason that the temple employees and their salaries are paid from out of the income of the temple which is treated as an independent autonomous single unit. The income or expenditure of temple are self-acquired, without burden on the Government.
13. I submit that the salaries are paid to the temple employees are from the donations, hundis and offerings made by the general public and not even a single pie is paid from the Government exchequer, as such the question of the denying the regularization on the ground of ban, Manjula Bashini case, Uma Devi case etc., as if the regularization is made to Government employment does not apply to the temple employees. Further the employment in the temples is religious based and unless they follow the Hinduism, they are not eligible for employment. As such employees working for years together on the fond hope of regularization cannot be denied regularization.

**FACTS ESTABLISHING THE SALARIES PAID TO THE TEMPLE EMPLOYEES FROM THEIR OWN FUNDS AND NOT FROM GOVT. EX-CHEQUER:**

- a). That the incomes generated or procured by the hard work and dedication of the secular and religious employees only, for ex. the

V. Sankar Das

Executive Officer or the Authorities does not go the shops for collection of the rents, to the lands for collection of makthas, maintain the Q lines, help in sale of various tickets, does the poojas and any other works etc; which generate the income to the temple. As such the NMRs deserve the fair treatment and they deserve liable regularization of services, but the Executive Officer enjoys all perks, allowances and retirement benefits also from the income of Temple denies the regularization of its employees.

b). That the following Authorities are appointed by the Government to the various temples and charitable institutions:-

1. Commissioner of Endowments
2. Additional Commissioner's
3. Regional Joint Commissioners
4. Deputy Commissioners
5. Assistant Commissioners
6. Executive Officer Grade-I
7. Executive Officer Grade-II
8. Executive Officer Grade-III

The salaries of all the above officers including their car petrol, food allowances, medical benefits, retirement benefits, pensions, travel allowances and all applicable allowances are paid out of the income derived from the temples and charitable institutions generated by the sweat, determination and hard work of these employees as such they are eligible for regularization of services and equal treatment instead of discrimination while regularization of services.

c). That as per the section 65(1) of Act 30/87 the temples/religious institutions have to pay contributions @ 9% from the annual income towards the actual expenditure incurred towards services of the above authorities. i.e., towards payment of their salaries etc. Hence the respondents and other authorities appointed by the Government are

V. Sankar Siva Rao

only there to render their services for the development of the temples/ charitable institutions and for the wellbeing of the employees who are the main pillars of these temples/ charitable institutions, but not to issue the ban orders on regularizing the employees invoking pick and choose method and placing the employees to severe hardship.

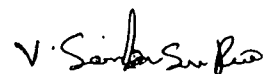

- d). That as per section 65(4) of Act 30/87 the temples/ charitable institutions even pays 1.5% of Audit Fee to the Government, as such the question of any free service rendered by the state does not arise. Hence the employees of temples/ charitable institutions have every right to claim the regularization of their services on par with others.
- e). That as per Section 69 of the act 30/87 the Endowments Administrative Fund is established and the same is under the control of the Commissioner of Endowments. The amounts collected towards contributions and audit fee as per section 65 of Act 30/87 will be credited to this Administrative Fund. The amounts in this fund runs into crores of rupees and expended by the Authorities at their whims and fancies, but coming to the regularization of employees the ban and other financial constraints are shown as reasons, which is illegal and arbitrary.
- f). That section 69(3) of Act 30/87 provides a provision that the Commissioner shall repay the Government out of the fund for the sums paid towards salaries, allowances, pensions and other remuneration of the persons appointed by the Government for rendering services under the provision of the Act. Hence It is crystal clear that persons mentioned @ ground D are appointed by the Government and the expenditure incurred by the Government toward them is reimbursed, but coming to the case of the employees of temples/charitable institutions they are not appointed by the Government as such their salaries are not paid by the Government and they have to work hard and pay for the others regular employees

V. Sankar Rao

salaries by starving themselves which is nothing but violation of Article 14 and 16 of Constitution of India and discrimination. As such all the employees deserves equal treatment and they are also eligible for regularization.

- g). That the temples/charitable institutions monies are left with the above contributions but they have to further pay @ 8 % of the annual income for the Common Good Fund as per section 70 of Act 30/87. The amount so collected @ 25% has to be utilized for the salaries to the Archakas and dhoopa deepa naivedyams etc., as per Section 70(b)(i) of Act 30/87 and @ 25% for establishment of vedapatashalas etc as per 70(b)(ii) of Act 30/87. As such as per the above provisions the payment of salaries can be adjusted from the surplus amounts in the Common Good Fund also after regularizing the services of the temple employees which includes secular and not secular employees without falling on 30% establishment charges.
- h). That even as per Section 70(2) that if any amount is surplus in the Administrative Fund the same can be transferred to the Common Good Fund which make is further clear that the amounts can be utilized for the maintenance of temples/institutions and salaries of the employees. Hence if the services are regularized there will be no burden on the Temple funds.
- i). That the persons appointed by the Government as mentioned above including the respondents herein will draw the salaries at the stake of income generated by the temple/charitable intuitions employees and paid towards Contributions and Audit Fee by invoking the section 69(3) of Act 30/87 and when the regularization is sought the same is denied, which is nothing but illegal and arbitrary and violative article 14, 16 and treating the temple/charitable intuitions employees unequally and without regularizing their long service which is illegal and arbitrary.

- j). That the temple/charitable institutions employees are never treated on par with the Government Employees and they are always treated inferiorly and as slaves in all aspects including the payment of salaries, regularization, extending the PRC, retirement benefits, pensions etc., even when their salaries are generated by themselves only and without job security.
  - k). That there are number of cases where the archakas or the other secular staff after retirement as NMRs working for more than 20 years from the temple service are begging on the streets or went down below poverty line and are unable to feed themselves. Further there is a classic case where the employee of the temple has died and the family had no monies for bereavement expenses also.
  - l). That the employees without getting up to date scales, pensionary benefits, job security, etc., but the Executive Officers etc., will get the same at the benefit of the contributions paid by the temple/ charitable institutions without burden on the Government Exchequer/Consolidated fund which is nothing but discrimination towards temple/ charitable institutions employees which is nothing but violation of Articles 14 and 21 of Constitution of India.
14. I submit that most of the regularizations are done by the temples and ratified by the respondents 1 and 2 as per their feasibility and comfort which is illegal and violation of Article 14, 16 and 21 of Constitution of India.

That, the Hon'ble Apex Court in Raman Kumar Vs Union of India (2023 Live Law), dated 03.07.2023 at paragraph No. 10 has observed as follows:

***"10. We are not inclined to accept the submission on behalf of the respondents. When the Chief Commissioner of Income Tax has himself found that 65 persons were entitled to be regularized, the act of regularizing the services of only 35 employees and not regularizing***

V. Santhi Suresh

*the services of other employees, including the appellants, is patently discriminatory and violative of Article 14 of the Constitution of India".*

15. I submit that, as per the above judgment my case has to be considered and my service has to be regularized in the vacant Record Assistant / Plumber / Attender or any other post as per my qualifications. As I am also eligible, qualified and entitled on par with other employees.
16. I submit that this Hon'ble Court in similar circumstances of this institution employees' W.P.No.18568 of 2015 was allowed directing to consider for regularization without following the procedure prescribed in GO.Ms.No.12 dated 10.1.1992 and their cases are considered by the respondents 1 and 2 by issuing proceeding dated 2-2-2022 & 21-6-2022 respectively and in W.P. No.14103 of 2022 and dated 25-7-2022. We also stand in the similar footing.
17. I submit that I have completed around 20 years of service in the respondent No.3 temple and I am fully qualified and eligible to hold the post of helper, as such I have to be considered for regularization but as on today my case is not considered despite there being positive report from the 3<sup>rd</sup> respondent. Further there are vacant posts in the cadres of helper, fitter and pump operator as on today.
18. I submit that recently 3<sup>rd</sup> respondent i.e. Sri Durga Malleswara Swamy Temple employees cases were considered and regularizations were done by the respondents 1 and 2 vide proceedings dated 2-2-2022 and 21-6-2022 and we also stands in similar footing. Further the Govt. on 01.01.2025 has issued GOMs No.2 regularizing the services of similarly situated employees without considering my case.

The Commissioner, Endowments Department, Hyderabad in his letter read above, has stated that Sri Venugopala Swamy Temple, Moolapet, Nellore Town is being maintained by the Anam Family since several years. The cadre strength of this temple was approved by the Commissioner, Endowments Department vide D.Dis.No.C3/3820/2002, dated 4.2.2002. Among the posts approved in the cadre strength, 3 posts of Record Assistant cadre were also included. Two Record Assistants namely Sri B. Dharma Rao and Sri P. Venku Reddy were working against two Record Assistant vacancies and the 3rd Record Assistant post was vacant. Sri P. Venku Reddy was promoted from Record Assistant to Junior Assistant cadre in the vacancy of Junior Assistant. Thus, the Record Assistant post held by him and the existing Record Assistant vacancy put together have become (2) vacancies. The Managing Trustee of the subject temple considered the applications of Sri V. Giri Krishna and Sri V. The income of the subject temple is consistently above Rs.10 lakhs from the year 2005-2006 and the Chairman and Managing Trustee is not competent to appoint anybody without obtaining prior permission of the competent authority even if the posts are vacant in approved cadre strength as per Section 35 of the Act. The request of the Chairman and Managing Trustee was once rejected by the Commissioner, Endowments Department vide his order dated 9.2.2009 and refused to ratify the action of the Chairman and Managing Trustee and also directed the Managing Trustee to terminate the services of both Record Assistants who are illegally and irregularly appointed during the ban period. The Chairman and Managing Trustee is not competent to make any appointments without obtaining prior permission of the competent authority i.e. the Commissioner, Endowments Department and in violation of G.O.Ms.No.888, Revenue [Endts.] Department, dated 8.12.2000 for making appointments. The Commissioner, Endowments Department has therefore requested the Government to pass necessary orders in the matter.
