AFFIDAVIT

I, Sri. Uppalapati Kama Raju, S/o Sri. Satyanarayana, D.No.4-10, Opp. Sivalayam, Mallepalli Village, Gandepalli Mandal, East Godavari District. Now having temporarily come down to Amaravati, do hereby solemnly affirm and state on oath as follows:

9

1. I am the petitioner herein and am well acquainted with the facts of this case and am competent to depose this affidavit.

2. I humbly submit that, I have been inducted into possession of all that property being agricultural land with standing crop (paddy) to an extent of Acres 5.48 Cents in R.S.27, East Gonagudem Village, Rajanagarm Mandal, (hereinafter referred to as 'schedule lands') vide auction proceedings dated 16.07.2022 (hereinafter referred to as 'auction proceedings') conducted and confirmed by respondents. As per the 'auction proceedings' I have been inducted into possession of the 'schedule lands' for an annual rent of Rs.25,000/- for the period starting from 2022 to 2025, by the respondents. I humbly submit that, I am illiterate, poor and ignorant of the workings of the law and the nuances involved therein.

3. I most respectfully submit that, after declaring me as the highest bidder in the 'auction proceedings', respondent no. 5 collected an amount of Rs. 6,000/- from me under the cover of receipt dated 16.07.2022. The respondents acting for each other represented and warranted that, I shall be entitled to cultivate the 'schedule lands' for the above-mentioned period (i.e.) 2022 to 2025. Believing, such representations of the respondents, I borrowed huge amount of money at a high rate of interest from several money lenders, to raise and harvest paddy in the 'schedule lands'. Accordingly, I cultivated paddy in the 'schedule lands' and harvested the same during the year 2022-23 and also paid an amount of Rs. 25,000/- towards annual rent to respondent no. 4 and 5, who duly acknowledged receipt of the same. Similarly, I cultivated paddy in the 'schedule lands' and harvested the same during the year 2023-24 also. However, due to my financial predicament I was unable to promptly pay the annual rent on time. Under such respondent no.5 issued a demand against me for an amount of Rs. 25,000/- which is the amount due and payable by me for the cultivation year 2023-24. I under such circumstances raised funds and paid respondent no. 5 an amount of Rs. 25,000/- for the cultivation year 2023-24 under the cover of a letter dated

14.09.2024 and vide a demand draft dated 13.09.2024 bearing no.663101 drawn in favor of "The Executive Officer, Sri Feeding Choultry, Rajanagaram".

4. Thereafter, respondent no. 4 on 09.01.2025 inveigled me into paying an amount of Rs. 50,000/- towards the annual rents for the cultivating year 2024-25, which in fact, is double the amount payable by me, under the pretext that, he shall appropriate such amount towards extending our lease. I innocently believed such representation and paid the same. In fact, I later came to realise that, seemingly such amount was illegally and wrongly misappropriated by the respondents towards some damages without my consent. Therefore, I in fact paid the entire amount payable for the cultivating year 2024-25 also.

5. Recently, I cultivated paddy in the 'schedule lands' in the month of December 2024 and am entitled to harvest such paddy in the 'schedule lands'. Therefore, the 'schedule lands' is now containing my standing crop which is yet to be harvested (hereinafter referred to as 'standing crop').

6. I most respectfully submit that, except cultivation of the above 'schedule lands', I have no other means of livelihood. I and my family's sustenance in life is eternally at the mercy of the outcome of my 'standing crop'. I have already invested a huge sum of borrowed money into cultivating the 'standing crop'. I most respectfully submit that, since inception of the 'auction proceedings' and all through the period between 2022 till 2025, I was made to believe that, I as the successful bidder am entitled to invest and raise the 'standing crop' in the 'schedule lands' and eke my livelihood accordingly. The respondents all through the above period have been absolutely knowledgeable of my investment to raise the 'standing crop' and permitted me accordingly, without any objection whatsoever. Had it not been for the representations of the respondents and their acknowledgement of my rights, I would not have invested and raised the 'standing crop'.

7. The respondents have initially sent a letter dated 17.08.2024 (hereinafter referred to as 'rent demand') to me, asking me to pay an amount of Rs. 25,000/-towards the annual rent for the cultivating year 2023-24, as mentioned above. As mentioned above, I due to my financial predicament, requested accommodation by way of extension of time for paying such amount vide my letter dated 28.08.2024. However, to my utter shock, respondent no. 5 sent a notice/proceedings dated 28.08.2024 (hereinafter referred to as 'Section 83 notice') to me under section 83(2) of Act 30/1987 the A.P.Hindu Charitable Endowments Act, 1987. Immediately thereafter, I sent my reply to both 'rent demand' and 'Section 83 notice' along with the annual rent for the cultivation year 2023-24. The same was duly received and acknowledged by the respondents. However, respondent no.5 started mischievously proclaiming that, they have not received my reply and that they have taken further action against me accordingly. Copy of such alleged proceedings dated 13.12.2024 are given to me only on 18.01.2025. I approached the respondents expressing my utter bewilderment and the inevitable doom that will plague me and my family, if I am not permitted to harvest my 'standing crop'.

8. I most respectfully submit that, the above proceedings were never served on me till then and I was not given an opportunity to take appropriate steps against the same under law.

9. I most respectfully submit that, the 'Section 83 notice' issued by the respondents is illegal, high-handed, mala fide, capricious, unlawful, violative of principles of natural justice, violative of the provisions of the Andhra Pradesh charitable and Hindu religious institutions and endowments act, 1987 (hereinafter referred to as 'endowments act'), violative of various provisions of the Constitution of India and its allied laws, including Article 14, 21 and 300 (A) of the Constitution of India and is a tool of persecution wielded by the respondents to deprive me of my just entitlement under law. The respondents are making a bald and reckless allegation against me in the 'Section 83 notice'

that, I have not replied to their 'rent demand'. Such an allegation is a blatantly false and the same is liable to be set-aside accordingly under law.

10. I most respectfully submit that, due to the respondents conduct, I innocently invested huge sums of money into cultivating my 'standing crop' in the 'schedule lands' and I would not have done so if it was not for the respondents representations and conduct. I most respectfully submit that, I have always acted out upon the unequivocal promises held out to me by the respondents only and not otherwise. Therefore, I most respectfully submit that, respondents are estopped under law from preventing me to harvest my 'standing crop', especially after receiving consideration from me and making me invest huge amounts into raising such crop. I most respectfully submit that, I also have a right to appropriate the benefit of my 'standing crop' under law.

11. I most respectfully submit that, the respondents made hectic efforts to deprive me of my 'standing crop' and to dole out the 'schedule lands' with my 'standing crop' in them to certain third parties, as per the instructions of their political bosses and under the guise of conducting a fresh auction. The respondents have given a paper publication proclaiming that, such auction shall be conducted on 21.01.2025. Under such circumstances, I made haste to approach this Hon'ble court for an appropriate remedy prior to 21.01.2025 itself, but was able to file a writ petition before this Hon'ble court only on 22.01.2025. However, the respondents conducted auction on 21.01.2025 vis-à-vis my 'standing crop' in favour of some third parties. Under such circumstances, I am constrained to make necessary amends to bring on record such fact and file this writ petition seeking an appropriate remedy.

12. I most respectfully submit that, auctioning of my 'standing crop' in the 'schedule land' by the respondents, in favour of third parties has caused

irreparable loss and injury to me and the same is liable to be set-aside under law.

13. I further most respectfully submit that, the respondents are high-handedly threatening me of false criminal cases and police complaints and constantly attempting to prevent me from entering into the 'schedule lands' to take necessary care of my 'standing crop', including watering them, without which my entire 'standing crop' will be destroyed, causing irreparable loss and injury. Some third parties claiming to be successful bidders are also attempting to prevent me from entering upon the 'schedule land' to protect my 'standing crop'.

14. Under the above circumstances, I have no other alternative and efficacious remedy, available under law, except to approach this Hon'ble Court seeking an appropriate relief under Article 226 of the Constitution. Hence, this petition.

15. I most respectfully submit that, I have not filed any other petition/s similar to this petition, in any manner whatsoever, claiming the relief prayed for herein, before any other Court/Tribunal/Forum etc., and therefore this petition may be entertained accordingly.

16. In light of the above, I most respectfully pray before this Hon'ble Court to pass a writ/order/direction, one in the nature of Writ of Mandamus declaring the action/conduct of the respondents vis-à-vis preventing me from appropriating the benefit of the 'standing crop' in the 'schedule property' (i.e.) property being agricultural land with standing crop (paddy) to an extent of Acres 5.48 Cents in R.S.135, East Gonagudem Village, Rajanagarm Mandal, including taking care of it till the same is harvested, in any manner whatsoever

and also the conduct of the respondents in initiating proceedings to evict me, including notice under 'Section 83 notice' (i.e.) proceedings being notice/proceedings dated 28.08.2024 issued by respondent no.5 or any further proceedings that may have been passed against me under section 83 of the 'endowments act' in any manner whatsoever and the auction proceedings dated 21.01.2025, whereunder my 'standing crop' in the 'schedule lands' was auctioned to third parties are per-se illegal, high handed, mala fide, capricious, unlawful, violative of principles of natural justice, violative of the provisions of the 'endowments act', violative of various provisions of the Constitution of India and its allied laws, including Article 14, 21 and 300 (A) of the Constitution of India and consequently direct the respondents to not to interfere or obstruct me from appropriating the benefit of my 'standing crop' in the 'schedule lands' (i.e.) property being agricultural land with standing crop (paddy) to an extent of Acres 5.48 Cents in R.S.27, East Gonagudem Village, Rajanagarm Mandal, in any manner whatsoever, including till the time of harvesting the same and also set-aside the 'section 83 notice' (i.e.) proceedings being notice/proceedings dated 28.08.2024 and also proceedings dated 13.12.2024 issued by respondent no.5 or any further proceedings that may have been passed against me under section 83 of the 'endowments act' and also the auction proceedings dated 21.01.2025, whereunder my 'standing crop' in the 'schedule lands' was auctioned to third parties, in the interests of justice, else, I shall suffer irreparable loss in injury.

17. In light of the above, I humbly pray that, this Honourable court may be pleased to suspend operation of the auction proceedings dated 21.01.2025, whereunder my 'standing crop' in the 'schedule lands' was auctioned to third parties, in the interests of justice, else, I shall suffer irreparable loss in injury.

18. In light of the above, I humbly pray that, this Honourable court may be pleased to pass appropriate order/s directing the respondents or its agents to not to obstruct or interfere with my peaceful possession and enjoyment of my

'standing crop', including taking care of the same till the time it is harvested, in any manner whatsoever, including taking any coercive steps against me or by inducing the auctions purchasers into possession of the 'schedule land' or enable them to take my 'standing crop, during the pendency of these proceedings before this Hon'ble court, in the interests of justice, else I shall suffer irreparable loss in injury.
